**RE: REBATES ON MUNICIPAL ACCOUNTS**

Nala Municipal Council has approved the Credit Control and Debt Management Policy that allows Nala rent payers a once-off rebate of 30% on a debt less than R100 000 and a 40% once off rebate on a debt more than R100 000 (Terms and Conditions apply)

Rent payers are also afforded an opportunity to pay off their debts in 12 equal instalments with no interest.

You too can benefit from this great offer. Visit our offices in Bothaville or call **Betty Nteo** on **056 514 9200** for more information.

Hope you find this in order.
