ALL COMMUNICATIONS TO BE
ADDRESSED TO THE

ADDENDUM 1

Due to various concerns received from service providers, on the basis that they could not properly prepare their proposals, as most water pipes manufacturers only opened on the first week of January 2023, closing date for this tender will be extended to allow service providers who attended the briefing session to fairly prepare their proposals.

Nala Local Municipality is now issuing the closing date, and the details are as follows

Closing Date	Closing Time	Venue
20 January 2023	12H00	Nala Local Municipality, Bothaville Main office

You are required to sign this document and return it as part of returnable documents.

Bid Number	Description
NLM/TS/007/2022-23	BOTHAVILLE/KGOTSONG: Replacement of 5.1 km AC Pipeline with UPVC Pipeline
